I am lucky enough to be able to work for It's The Journey - this year will be my 5 year anniversary! I believe in our mission and all the work that ITJ is doing. Together with our staff, board, crew, and walkers **we are making a HUGE difference here in Georgia.** Through your generous donation, It's The Journey will be able to fund diagnostic and screening mammograms, genetic testing and counseling, and other breast health programs in Georgia.

All of the money raised here, stays here!

By clicking on either “Fundraising” in the grey left hand bar or the pink “My Fundraising” button, you can get started editing your page and asking for donations for your 2-Day Walk!
